CYCC Eases Transitions

for Chapelwood UMC

... continued from page 1

- In July, the UMC made its annual pastoral appointments, giving Chapelwood UMC Lake Jackson, TX its first new pastor in over a decade. Fortunately, he gets to begin with the shared ministry of lay teams in place working on action steps (see RESULTS on page 1).
- Their Discipleship Coach from AL led the congregation through four work sessions.
- Their coach also met with their pastors monthly and with their team to guide their process.

for Peace Community Church

- Peace CC learned their pastor would retire in June.
- Rather than immediately search for their next pastor, they asked Ascending Leaders to help them transition.
- Since AL had twice before helped PCC with a Charting Your Church Course, we could easily lead them in an adapted Charting Your Church Course.
- The congregation considered:
 1. What are the leadership possibilities for their next chapter?
 2. What are the possibilities for the next chapter God may be calling them to?
 3. What are the adjectives they feel important to be true of their next pastor?

Helping Others Navigate Life Pressures

- Allen and Mary are a young couple who came to discipleship training in their village and showed strong signs of spiritual growth.
- Persecution: Allen's parents harassed Mary for her faith, while Allen was away.
- Rather than sharing with Allen, Mary carried this burden alone.
- Finally, she tried to put an end to the pain through phenyl consumption.
- Our team is currently providing medicine and food and, after Mary recuperates, plans to minister to the couple with Biblical teaching about the value of life, finding comfort in God and standing together as a married couple.
